Dear Friends:

On behalf of the communities that we serve, thank you very much for your kind and generous donation to Daily Bread Food Bank. This is to acknowledge, with our sincere thanks, your donation made during the months of August and September 2009.

With help from socially involved companies such as yours, Daily Bread can continue the fight against hunger by providing food and resources to people in need, mobilizing greater support, and creating social change to reduce poverty through research, education, and advocacy.

The current recession has already indicated a 19% increase in client visits this year, compared to the same time period last year. We find ourselves being challenged by the increased demand, which is why we are so grateful for your support. If you would like to make another contribution, please contact me at the coordinates below, and thanks again for making a lasting difference in our communities.

Sincerely,

*Thank you for your help.*
